COMMUNITY COMMITMENT

Our family of companies is proud to support the communities where our employees live, work, and grow. We take pride in being a good neighbor and strengthening the places where we have employees, power plants, and renewable energy operations. We provide tens of thousands of dollars and volunteer hours to numerous nonprofits and organizations working toward social justice across the state, including:

- Community Foundation for Monterey County
- Rancho Cielo
- United Way of Monterey County
- Oakland Children's Fairyland
- Urban League of Greater San Francisco Bay Area
- Arts Council for Monterey County
- Planning and Conservation League Foundation

SUSTAINABILITY IN ACTION

As part of our commitment to sustainability excellence, we've provided over 300,000 trees to various partner communities since 2002. These donated trees have helped generate environmental savings and health benefits for municipalities and residents valued at approximately \$37 million annually during the life of these trees. Learn more about our tree donation program at www.vistracorp.com/about/community-giving.
