Generation by Capacity

Vistra (NYSE: VST) is a leading, integrated, Fortune 500 energy company based in Irving, Texas, providing essential resources for customers, commerce, and communities. Vistra combines an innovative, customer-centric approach to retail with safe, reliable, diverse, and efficient power generation. The company brings its products and services to market in 20 states and the District of Columbia, including six of the seven competitive wholesale markets in the U.S.

COMMUNITY COMMITMENT

Our family of companies is proud to support the communities where our employees and customers live, work, and grow. We take pride in being a good neighbor, and strengthening the places where we have customers, where our valued employees live, and where we call home. We provide tens of thousands of dollars and volunteer hours to numerous nonprofits and organizations working toward social justice across the state, including:

- United Way organizations, including Southern Dallas Thrives initiative
- Education foundations and STEM programs
- Texas Trees
- Urban League affiliates
- The Senior Source
- Irving Cares
- BakerRipley

SUSTAINABILITY IN ACTION

As part of our commitment to sustainability excellence, we've provided nearly 300,000 trees to various partner communities since 2002. These donated trees have helped generate environmental savings and health benefits for municipalities and residents valued at approximately \$37 million annually during the life of these trees. Learn more about our tree donation program at www.vistracorp.com/about/community-giving. A few cities and schools, among others, that have received trees include:

- Paul Quinn College
- City of Fort Worth
- City of Dallas
- City of Tyler
- Aransas County ISD
- Edinburg CISD

Approximately
5 million retail customers
across the United States

Combined premier retail and wholesale brands

Approximately 41,000MW
generation capacity

enough to
power
20 million homes
