COMMUNITY COMMITMENT

Our family of companies is proud to support the communities where our employees and customers live, work, and grow. We take pride in being a good neighbor and strengthening the places where our valued employees live and where we call home. A few nonprofit organizations and projects that we support, include:

- Food Bank of Central New York
- United Way of Greater Oswego County
- Tunnel to Towers Foundation

SUSTAINABILITY IN ACTION

As part of our commitment to sustainability excellence, we've provided nearly 300,000 trees to various partner communities since 2002. These donated trees have helped generate environmental savings and health benefits for municipalities and residents valued at approximately $37 million annually during the life of these trees. Learn more about our tree donation program at www.vistracorp.com/about/community-giving.
